

Loeb Smith acted as Cayman Islands counsel to China Crystal New Material Holdings Co., Ltd. on IPO on Korea Stock Exchange

Loeb Smith has acted as Cayman Islands counsel to China Crystal New Material Holdings Co., Ltd., the world's largest synthetic mica manufacturer in respect of its IPO on the Korean Stock Exchange (KRX)'s secondary KOSDAQ market. It is the first time in four and a half years since a Chinese company has entered the KRX. The company's shares began trading in late January 2016.

The Loeb Smith team was led by Corporate Partner, Gary Smith.
